Subject RE: Update on Montana East Helena/ARSARCO CD

It means DEQ and Asarco can't continue the Montana CD simply by relying on the extension provisions of paragraph 30. We have to amend or renegotiate the CD. I believe at a minimum that DEQ must recognize the CAMU in the new instrument.

Linda:

This letter was sent yesterday from MDEQ to ASARCO. I forgot the scan the document double sided so each page is on a different document.
